

6) GA4 Analytics

Love digging into data and uncovering insights? We're looking for a Google Analytics (GA4) volunteer to help us track and improve our online presence! If you enjoy making sense of numbers and spotting trends, this is a fun way to put your skills to good use.

What You'll Do:

- ✅ Set up and manage Google Analytics 4 (GA4)
- ✅ Track website traffic and user engagement
- ✅ Share insights to help us grow and improve
- ✅ Work flexibly (just a few hours a week!)

What We're Looking For:

- ✨ Some experience with GA4 (or a willingness to learn!)
- ✨ An eye for details and problem-solving
- ✨ A love for data and making sense of numbers

This is a great way to gain experience, boost your skills, and make an impact—all while having fun! If this sounds like you, let's chat! 🚀
